SKILLS

- React.js
- Tailwind
- JavaScript
- Bootstrap
- HTML5
- CSS3
- Responsive Web Design
- API Integration
- Component Reusability
- Debugging
- Tools:
- VS Code
- Git & GitHub

LANGUAGES

- English (Intermediate)
- Telugu: Fluent

EDUCATION

VISWABHARATHI DEGREE COLLEGE

Bachelor of Science (B.Sc)

2019-2021 S.A.V N & V.J.R JUNIOR COLLEGE

Intermediate (MPC)

PROFILE

Motivated and enthusiastic Frontend Developer with a solid foundation in web development technologies including HTML5, CSS3, JavaScript, React.js, Tailwind CSS, and Bootstrap. Eager to apply my skills to real-world projects and continuously learn new tools and technologies. Strong understanding of responsive design principles and user interface development. Known for being a good team player with strong time management and communication skills. Proficient in using tools like VS Code, Git & GitHub, and Chrome DevTools to build and debug modern web applications.

WORK EXPERIENCE

Elbert(<https://elberttech.com/>)

Anurag-ERP(Front-End Developer)

- Developed and maintained responsive web interfaces using React.js (JSX) and Tailwind CSS, ensuring seamless performance across all modern browsers and devices. Collaborated with UI/UX designers to convert Figma and design mockups into fully functional, interactive pages. Implemented dynamic content rendering, component-based architecture, and state management using React hooks and props.
- Worked on performance optimization, code debugging, and responsive layout improvements to enhance user experience. Ensured adherence to web accessibility standards (WCAG) and followed best practices for modular, reusable frontend components.
- Participated in Agile sprint reviews and Git-based version control, contributing to team collaboration and project efficiency. Assisted in basic deployment processes and frontend API integration with backend RESTful services.

E-Commerce Books(Front-End Developer)

- Developed a full-stack e-commerce platform for browsing, filtering, and purchasing books online. Built a responsive UI using React.js and Tailwind CSS, ensuring seamless experience across devices. Implemented reusable components (TopNavbar, Pagination, Filter Menu) and a dynamic order management system with tracking, shipping, and payment modules. Designed and consumed REST APIs with Node.js and Express, integrated through Sequelize ORM with PostgreSQL. Created an admin dashboard for managing books, categories, and orders. Implemented JWT-based authentication, optimized performance, and maintained a modular, scalable architecture.

PROFILE SUMMARY PERSONALITY TRAITS

- Self-Motivator
- Continuous Learner
- Problem Solving Skills
- Attention to details
